

Reception Class Newsletter

Our ref; DP

12th December 2025

Dear Parents/Carers,

This week the children have enjoyed learning about Firefighters and Coastguards. They have also started to make their Christmas decorations and I am sure that they will be pleased to see their creations on the tree at home.

After the holidays our next topic will be 'Houses and Homes'. The children will be learning about different types of houses around the world; the most appropriate materials to build houses from; electricity and The Chinese New Year. Over the Christmas holiday, for homework I would like the children to produce a piece of artwork of their own house. This could be a painting, drawing, a picture made from collage materials or even a model made from a cardboard box. The children can therefore choose the way they would like to represent their own house. Also, if possible could you please upload a photograph of the front of your house so that the children can discuss and share this with the other children.

This newsletter will be the final one for this year so I would like to wish you all a Happy Christmas and New Year.

Thank you for your support throughout your children's first term in school.

Mrs Parry

Reception Teacher

Reminders
