Reception Class Newsletter

Our ref; DP

3rd October 2025

Dear Parents/Carers,

The children have had another lovely week in school. We have been busy playing lots of language and communications games and have completed more work on the 'Amazing' story book. The children have now brought home their phonics games to play at home. It would be really helpful if you could play the games with the children, as this would help them to consolidate what they have been learning in school.

During our Maths sessions we have been working on numbers up to 3 this week. They have been practising the sentences '1 and another 1 makes 2' and '1 and 1 and 1 makes 3'.

Throughout next week, the children will be taking part in a Design Technology topic linked to recyclable materials. The children in Reception will be sharing the story of the Rainbow Fish and will then make a fish using willow. The body of the fish will be woven from recycled materials, so I would be grateful if you could send in either a clean pillowcase, used plastic bag or bag for life which can be cut up ready for the children to weave with.

Thank you for your co-operation.

Mrs Parry.
