Reception Class Newsletter

Our ref; DP

4th July 2025

Dear Parents/Carers,

The children have had another busy week. Their work has been centered around the book 'Somebody Swallowed Stanley' and this has led to them learning about how we should keep our oceans clean. The children have made a poster about this.

Next week the children's learning will be about beaches and holidays. It would be really helpful if you could talk to your children about any holidays/day trips that they have been on, so that they have ideas to share.

Also, could you please ensure that any school reading books that you have at home are put into the children's bookbags next week, as we will collect the children's reading books in. Your child will not bring any reading books home now until September, but please continue to practise reading over the summer with any of your children's own books.

Many thanks,
Mrs Parry
Reception Class Teacher

- Sports Day takes place on Thursday 10th July. Children should come to school wearing their PE shorts and a coloured t-shirt to match their house team. Please check dojo to find out which coloured t-shirt your child needs to wear.

Through learning and loving we will follow Jesus.
