Reception Class Newsletter

Our ref; DP

6th June 2025

Dear Parents/Carers,

It was lovely to welcome the children back this week after the half-term break. We have had another very busy week. The whole school has been learning about 'hope' as this year is the 'Jubilee Year of Hope'. The children have written a class pledge of what they 'hope' for and have also written rainbow promises which have been added to the tree in the entrance hall. The children have also learned lots about the artist Jackson Pollock and the techniques he used to create his artwork, but they have also learned new skills around colour mixing too.

During Maths this week, the children have been working on comparison and have been looking at amounts and identifying which amounts contain a lot more or a little bit more. This is an activity that you could practise with your child at home.

Next week, the children will be continuing with work around the whole school 'Jubilee Year of Hop' themed weeks. They will continue with their work on Jackson Pollock and will be taking part in musical activities around the hope theme.

The following week, the children will be making boats and testing them to see whether they float. It would help if the children could bring in a plastic container from home for them to build a boat from. I will then put all the containers together and the children can choose which one they think will be the best.

Next Thursday on the 13th June at 9am, you are invited to join the children in their prayer and liturgy to celebrate Father's Day. It would be lovely if you could join us!

Thank you for your continued support.

Mrs Parry
Reception Class Teacher

Through learning and loving we will follow Jesus.
