Reception Class Newsletter

Our ref; DP

12th June 2026

Dear Parents/Carers,

Firstly, thank you for all your support this week with our Culture week. It has been fantastic to learn about the different cultures of children from our school. You have been so generous with your time and your food donations. I am sure that the children are keen to show you their work after school tonight.

Next week, the children will be starting their seaside and holiday topic. We will be learning about the Titanic and will be investigating floating and sinking. Once the children have investigated which materials float the best, they will design and build a boat and then test it in a boat race. If you haven't done so already, please send in a plastic tray. Your child may not necessarily use the tray that they brought in as they will choose their own tray from the ones what we have.

Thank you for your continued support.

Mrs Parry
Reception Class Teacher

Through learning and loving we will follow Jesus.
