Reception Class Newsletter

Our ref; DP

16th October 2026

Dear Parents and Carers,

Well, it is hard to believe that we have reached the end of the first half term. I would like to thank you all for your support and help in settling the children into school. Also, thank you to all parents who attended Parents Evening this week. The importance of parental involvement is essential if children are to achieve their potential.

The children have enjoyed using their senses during the activities this week. They particularly enjoyed the 'Feely Feet' activity in which they had to guess the object by using their feet. They have also been able to use their senses to enable them to identify objects whilst blindfolded.

In maths sessions this week, the children have been comparing two groups of objects and have said which group has more objects and which fewer. Most children can identify which group has more, but tend to be less confident saying which group has fewer. It would really help your child if you could practise this at home.

Our class topic after half term will be 'People who help us' and 'Superheroes'. We will be having a 'Superhero Day' later on in the term, but I will confirm the date closer to the time. The children can come to school dressed as their favourite superhero or nurse, police officer etc.

Thank you again for your co-operation and I hope that you have a lovely half-term break.

Thank you for your co-operation

Mrs Parry.
