Reception Class Newsletter

Our ref; DP

1st May 2026

Dear Parents/Carers,

The children's learning this week has been centred around plants and how they grow. The children have planted peas /beans and have learned how to look after their peas/beans so that they grow. The children have started a Bean Diary to monitor the growth of their plant. The children will bring their plants home before half term and can then keep them at home.

During our Maths sessions, the children have been working on counting. They have been conducting surveys of their favourite things and have found out which items are the most popular.

Next week, the children's literacy sessions will be around the book 'Growing Frogs'. The children will be creating the life cycle of frogs using PicCollage on I pads.

Thank you for your continued support.

Mrs Parry
Reception Class Teacher

Reminders

On Thursday 14th May, the children will be visiting Smithills Farm.

Through learning and loving we will follow Jesus.
