Reception Class Newsletter

Our ref; DP

23rd January 2026

Dear Parents/Carers,

Throughout the week the children have been learning about different houses and homes both locally and around the world. They have looked at the houses that some Inuit people live in in the North Pole, adobe houses in South America and different types of houses in Japan, Morocco, Zimbabwe and Switzerland. Additionally, the children have been using a globe to look at where Great Britain and some other countries are in the world. The children have also been looking at maps of the school and church in the present day and have noticed how the school has moved from where it was originally, next to the church. The children also drew maps of Nel Pan Lane both before and after the school moved.

Next week, the children will be learning about what life was like before we had electricity and will have the opportunity to handle historical artefacts that were used in the home.

Thank you again for your continued support

Mrs Parry

Reception Class Teacher

Through learning and loving we will follow Jesus.
