Reception Class Newsletter

Our ref; DP

24th April 2026

Dear Parents/Carers,

The children's learning this week was based on a book called, 'Things with wings'. Whilst sharing this book, the children have had the opportunity to look at lots of different creatures and have learned that not all creatures, which have wings can fly. The children have chosen their favourite winged- creature; have made a model of it, then written a fact about it. This work has been used to make a wonderful display.

During our Maths sessions, the children have continued with the work on doubles and have been sorting objects to a specific criteria, eg-colour/type etc.

Next week, the children's literacy sessions will be around the book 'Christopher Nibbles'. The children will be planting beans and finding out what beans need to grow. The children will eventually bring their plants home and continue to look after them at home.

Thank you for your continued support.

Mrs Parry
Reception Class Teacher

Reminders

On Thursday 14th May, the children will be visiting the Farm. Children do not need to wear their uniform for the trip but should wear something appropriate for the weather.

Through learning and loving we will follow Jesus.
