## Reception Class Newsletter

Our ref; DP

30<sup>th</sup> January 2026

Dear Parents/Carers,

We have had another busy week in school learning about electricity. We have also been looking at what life was like before electricity and the children have had the opportunity to handle household objects that were used before electricity was invented. The children have looked at dollies, irons, carpet beaters etc and have been able to recognise that electricity has made our lives much easier

This week during our maths sessions, the children have been working on ordering numbers and have been developing their understanding of what numbers look like when they are 1 bigger than the previous one.

Next week, the children are going to be working on a book called 'the Mouse House'. I am sure that they will have lots to tell you about it.

Thank you again for your continued support.

Mrs Parry

Reception Class Teacher

Through learning and loving we will follow Jesus.
