Reception Class Newsletter

Our ref; DP

6th February 2026

Dear Parents/Carers,

The children have enjoyed their work on the Mouse House and have been learning lots about mice and other nocturnal animals.

During Maths sessions the children have been learning about the different compositions of numbers which add together to make 5 (eg, 2 and 3, 4 and 1). I have been encouraging the children to use the 5 fingers on their 'hand' to help them to calculate answers. You could practise with the children at home by showing them 5 objects, hiding some, then asking the children to work out how many you have hidden. The children can work this out by counting how many objects that they can still see.

Next week, the children are going to be learning about The Chinese New Year and will be taking part in activities as part of the Mental Health Awareness week.

Thank you again for your continued support.

Mrs Parry
