

## Literacy

During our House and Homes Topic we will share and then use our phonic knowledge to write about the stories The Three Little Pigs and the Mouse House. We will also write about our favourite home across the world. During our 'Terrific Tales Topic we will share stories and then use our phonic knowledge to write about the stories of Cinderella, George and the Dragon, Room on the Broom any many more.

## Understanding the World

The children will investigate which materials are best to use when building a house.

The children will look at homes in the past and around the world.

The children will learn about electricity and will make a simple electricity circuit.

## Home Learning

Reading and phonics application work.

Please see our weekly newsletter

## Prime Areas of Learning

During the term we will be playing nicely and taking turns with friends, trying new things, listening carefully, following instructions, moving confidently in different ways, show good control over large and small movements and learning how to keep healthy and stay safe.

Class Teacher: Mrs Parry

Teaching Assistants:

Teaching Assistants; Mrs Collinge & Mrs  
Gallagher

## Mathematics

During our Maths Sessions we will be looking at; 3D Shapes, the composition of numbers up to 5, ordering numbers, pattern work, subitising and comparing numbers.

## Expressive Arts & Design

Making houses using the materials that the Three Little Pigs used.

Making a Chinese lantern to celebrate The Chinese New Year.

Making Easter baskets and cards to celebrate Easter.

The children will design a necklace for Cinderella to wear at the ball.

## Religious Education

During R.E. lessons children will cover the following topics; From Bethlehem to Gaililee (*How Jesus was born for everyone*), *Desert to Garden* (*Lent and Looking forward to Easter*)

## Trips/Themed weeks

World Book Day

Chinese New Year
