

Religious Education

The year starts with the children learning about the school's Mission Statement. The first RE topic is *Families* where the children are asked to share photographs and talk about their own family. The second topic is *Belonging* and the third topic is *Waiting*. There will also be a week where Judaism.

Art

The children will be using their drawing, sculpting and designing skills to design their own Andy Goldsworthy inspired sculptures.

Music

The children begin to use pictures as simple notation and follow the notes to create simple musical pieces. As well as listen and appreciate different types of music, recognising and exploring a range of instruments

English

At the beginning of the term we will be reading *Lost & Found*.

Later in the term, we will be learning about Julia Donaldson, reading lots of her books such as *The Gruffalo* and *Stickman* and producing some super writing.

Autumn 2023

Year 1

Class teachers; Mr Ahmed, Mrs Birchall

What an exciting term ahead ...!

Through learning and loving we will follow Jesus.

Mathematics

A big focus this term will be on reading and writing numbers. There will be lots of work on counting too. We will be using objects and counters to help us to calculate addition and subtraction questions. We will also be learning more 2-D and 3-D shapes by learning their names and describing what they look like.

Science

In Science, the children will be learning about the different human body parts and the five senses. We will test our senses in different experiments. They will also look at the season autumn and look at the various changes that occur at this time.

History

The children will learn about what living memory is and beyond living memory. They will also learn about the History of Leigh in the 1970s and how it has changed over time.
