

### Topic

This term will be more geography based. The children will be learning about mountains, rivers and the water cycle. They will learn all about the formation of rivers and answer the question 'where does rain come from?' The children will also be learning the names of many different countries in Europe and locating these on a map.

### Other

This term, we will also be going on a school trip to see some real mountains and rivers in the Lake District. This is a fantastic trip in which the children develop their geography skills. You will receive a letter about this closer to the time.

Homework will be the same and this will be linked to weekly learning in class.

Weekly swimming will continue starting Tuesday, 8<sup>th</sup> January 2019.

### English

The children will be writing their own fairy tales and persuasive texts this half term. They will be using what they have learned so far and working towards their personal writing targets to produce some excellent quality writing.

### Mathematics

During the spring term, the children will be consolidating their knowledge of place value and number. In addition to this, they will be learning about measure and why these are important in daily life. As part of the measure topic, children will be learning how to tell the time. This is a difficult concept. The more practise that the children have at home, the easier they will find this.

## Spring 2019

# Year 3

**Class Teacher:** Mrs Yates & Mrs Evans  
**Teaching Assistants:** Mrs Richardson, Mrs Bainbridge, Miss Gunning, Mrs Hodkinson & Mrs Scott.

Through learning and loving we will follow Jesus.

### Science

During Science lessons, we will be learning all about forces. We will investigate forces such as friction and gravity. We will also be researching a famous scientist, Isaac Newton.

### Religious Education

Our topics for this term will be Journeys, Listening and Sharing and Giving All. The children will be making links between Jesus' teachings and the way that they should live as a child of God. The children will also learn about the important season of Lent and the sacrifice that God made for them on Good Friday.
