Mary's Meals would like to express our sincere appreciation to Twelve Apostles Primary School, Leigh, for the outstanding support, enthusiasm and commitment they have shown to our work. From the very beginning, the school has offered a warm welcome to Mary's Meals, embracing opportunities to learn about our mission and engage pupils, staff and the wider school community in making a difference to children living in some of the world's poorest countries.

Throughout our partnership, Twelve Apostles Primary School has demonstrated a genuine commitment to living out its values through action. The school has engaged wholeheartedly with Mary's Meals initiatives, fundraising activities and awareness-raising opportunities, enabling pupils to develop a deeper understanding of global citizenship, compassion and service to others.

Alongside their practical support, the school community has provided faithful and prayerful support for the work of Mary's Meals. Through collective worship, classroom reflection and prayer, pupils and staff have kept the children and communities we serve at the heart of their thoughts and intentions. This spiritual commitment has been a powerful expression of solidarity and compassion, helping young people understand that they can make a meaningful difference through both action and prayer.

We are particularly proud of the dedication and hard work shown by the school in achieving the Schools Feeding Schools Award. This accomplishment reflects the enthusiasm of the entire school community and their determination to support children who rely on Mary's Meals for their daily meal in a place of education. The award is a testament to the school's commitment to helping ensure that more children can access education and hope for a brighter future.

It is an honour for Mary's Meals to recognise Twelve Apostles Primary School as an Ambassador School. Their continued support, leadership, advocacy and prayerful encouragement inspire others and demonstrate the positive impact that a committed school community can have on the lives of children around the world.
We are incredibly grateful for all that Twelve Apostles Primary School has done and look forward to continuing this valued partnership in the years ahead. Through their generosity, enthusiasm and unwavering prayerful support, they truly embody the spirit of Mary's Meals and our shared belief that every child deserves an education and enough to eat.
