Mrs Anne Nelson – Our New Pastoral Support Mentor

Hello, my name is Anne Nelson. My Main Role is to help the children with any problems they may be having, either in school, or at home. I am always here to listen, give support, and offer any advice and guidance that I can. This can be done in small groups, or on a 1-1 basis with individual children. Part of my role is to help to improve behaviour and attendance in school, and also working in the new Nurture Room.

I am also here to give similar support to parents and families and, where further help is needed, I can liaise with a variety of other agencies outside school, making referrals when required. So, please let me know if you feel that you need any help, support or advice.
