Robin Wood Trip

Dear Parents,

At XII Apostles we feel that it is very important to help our year 6 children to become more independent and confident and to give them as many new experiences and opportunities in the wider community as possible. For the last five years, this has included the year 6 children taking part in a residential trip to Robin Wood in Todmorden for three days in January. This is a fantastic experience for the children and has been thoroughly enjoyed in previous years. We are really hoping that this trip will continue next year and therefore need to find out if there is enough interest.

Robin Wood is an activity/team building trip where the children take part in a variety of different challenges such as zip wires, trapeze and piranha pool. More information is available on the website below.

The cost for this trip is £165

I would be grateful if you could complete the form below expressing your interest in the trips and returning this to school along with a **£50 deposit no later than Friday 12th July** to secure a place, or pay on Parent Pay. **The remaining balance will need to be paid before Friday 18th October 2019**, but this can be done in weekly instalments if preferred.

Please note; if there is not enough interest, the trip will not be able to run.

Many thanks.
