14th October 2020

Dear Parent/Carer,

As the test results of the symptomatic child/adult have now been confirmed as negative the children in year 1 can return to school tomorrow, **Thursday 15th October.**

A full risk assessment has been carried out and your child does not need to self-isolate from immediate effect as they **have not** been in contact with an affected person.

Once again, I hope that you can understand that this precautionary measure had to be taken due to other confirmed cases in school and that this situation is beyond our control. I totally appreciate how frustrating this is for parents and thank you again for your support and understanding. The safety of our whole school community is paramount.

Mr Ahmed has provided home learning for today and will be continuing with live remote lesson for the children when they are back in class on Thursday 15th October and Friday 16th October as he has to remain in self – isolation. The children responded well to this temporary learning style last week. Mrs Gallagher and Mrs Birchall will be in class with the children to facilitate this.

Please note that we break up on Friday 16th October for a 2 week half term break and return to school on Monday 2nd November.

If you have any questions, please do not hesitate to contact school.

Kind Regards.

Mrs Newton

Through learning and loving we will follow Jesus.
