11th May 2020

Dear Parents and Carers,

I am sure you all heard the Prime Ministers statement last night regarding the reopening of schools for certain year groups on 1st June . I know that this will raise lots of questions for you all and also there is much that needs to be clarified for schools.

At this moment in time nothing has changed in school as there is no change to the guidance. We are awaiting further guidance form the DFE and will be in consultation with the Local Authority to plan a safe way forward for all our children, staff and families.

We will continue to provide emergency care for those parents whose work is critical to COVID 19 response and those that are identified as vulnerable. The message at this moment in time is that it is safer to stay at home.

We will continue to provide home learning and keep in contact with you.

We will need clear guidance to plan how it is possible to social distance in school and keep our children, staff and families safe. We need to complete risk assessments for each scenario. We can then plan how we might phase groups of children returning.

As always I will keep you updated, these are difficult and uncertain times and I know many of you will fell worried and have so many questions. Please be patient whilst we wait for further guidance.

God Bless and Take Care

Mrs Newton
