

## Coming Back To School

Soon we hope to see you all back at school  
When you come back to school, things will be a bit different.

You will be coming back to school to a new year group.

Your year will be your **BUBBLE**.

Your bubble will be together every day and will not mix with other year groups.

You might be with a new teacher and teaching assistant .

They will have spoken to your parents and will send you a video to introduce themselves and show you the classroom. They are looking forward to working with you.

You will be returning to a different classroom and your new teacher will talk to you about this. .

The classroom will look a bit different. The tables will be spaced out and may face the front.

You will have your own pencil, pen, ruler, whiteboard, dry wipe pen and things like that - you won't have to share!

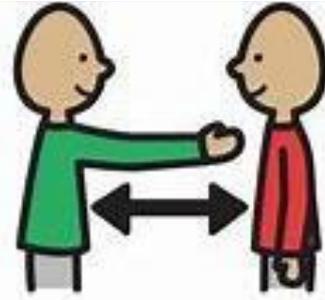

You will still get to go outside at playtime.

Your playtime will be with your year group **BUBBLE**.

There won't be as many children on the playground. The playground will be divided into 2 so 2 year groups can play outside at the same time.

All the infants will eat in the classroom and the juniors will take it in turn to eat in the hall. If you have a school dinner these will be brought to the classroom .

It will be lovely to be back in school and see our friends again but we must remember to try to keep a little bit further away from each other.

We can still be friends even if we don't touch.

We will be washing our hands a lot more to help keep everyone safe.

You will need to wear school uniform and clean clothes every day. You can come to school in your PE kit on certain days .

You will be dropped off and collected at your **BUBBLE'S** door.

You don't need to bring anything from home.  
**NO BAGS**

You may feel a little bit nervous about coming back to school.

Your teachers are really looking forward to seeing you and will help you to keep safe whilst we are learning.
