

Purple Mash Instruction Sheet for Children

Logging in

1. Go to www.purplemash.com/twelve You can access this website on a laptop, PC or a tablet.
2. Log in using the username and password provided to your child.

Completing Work

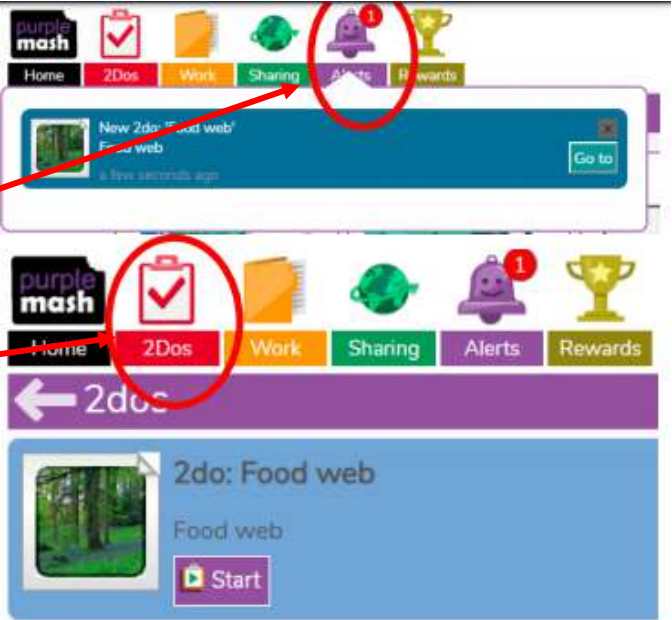

1. When you have logged on, the children can then access the work that has been set for them as a '2Do.'

'2Dos' can be viewed/started by:

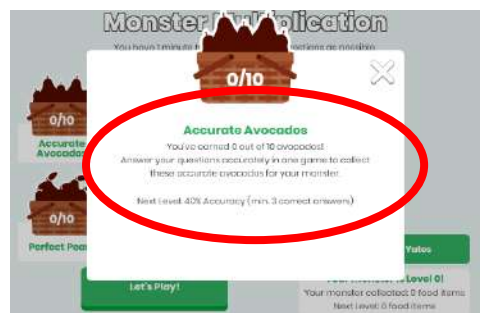

- on the Alerts (bell) button

Or

- clicking on the '2Dos' button

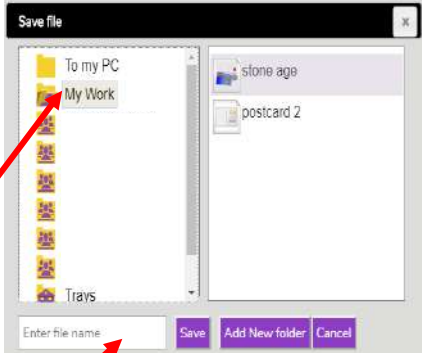

2. Click Start.
3. There will be instructions on each task to explain the activity.

Saving and Handing in Work

Most tasks (excluding games) will need to be saved and handed in to a teacher.

1. When a task is complete, the work will need to be saved.

First, click the arrow inside the red box.

Then, click 'save & exit.'

Next, click 'My Work'

Finally, enter a file name and press 'save.'

When the work is saved, go back to the 2Dos and click 'Hand In.'

Children-If you don't hand in your work, your teacher will not see it.

Tips for Children

- Check your 2Do list regularly as your teacher may have commented on your work.
- If you are unsure what to do on a task, check to see if there is an instruction video at the top of the page.
