Dear Parents and Carers,

I hope you are all enjoying this lovely weather and some family time. As you are aware our phased return to school starting with our Reception children was scheduled for 8<sup>th</sup> June. As Mrs Parry explained, this was conditional and could change in light of new information received or LA guidance. I am attaching a letter from Wigan council which strongly advises all school to postpone the wider opening in any of the specified year groups until the 15<sup>th</sup> June at the **earliest**. The letter outlines the reasons for this. Clearly this is not a decision the council has taken lightly and given the severity of the concerns raised at a regional level it would be irresponsible to ignore this advice

I apologise for any inconvenience this has caused but I know you will appreciate that the safety of our whole school community is paramount.

Everyone here at XII Apostles looks forward to welcoming all our children back but only when it is safe to do so.

We will continue to open for children of critical key workers and vulnerable children. I will be in touch again as soon as we have any further information.

Thank you once again for all your support

God Bless and Kindest Regards

*S.M.Newton*
