15th July 2021

Dear Parents and Carers,
I can't believe we are at the end of the academic year. Yet again it has been a year we will never forget. We started with such high hopes in September that we would be returning to some normality in school, but little did we know what was ahead of us. It has certainly been a roller coaster. We are hoping that we will be able to resume some normality in September and I have sent out a separate letter with the arrangements for our return. Please read this carefully as there is a lot of important information.

I would like to take this opportunity to thank you as parents and carers for the support you have given through these difficult times and the strong partnership you have shown between home and school, helping your child(ren) to develop and achieve.

Thank you also for the lovely messages, cards and gifts that I have received. I know that parents arranged a collection and I was so appreciative of the gorgeous planters and gifts. It really does mean a lot and I am truly grateful.

Finally, have a lovely Summer break, whatever you choose to do or wherever you are able to go.

God Bless

Mrs Newton

Sports Day Awards

Well done to Mr Ahmed and all the teachers for organising such a wonderful sports days for our children last week. Whilst the plans were different this year and each class competed in their house teams within their class bubbles, the races and events were very similar. Each class managed to dodge the rain and get out onto the field! The children showed amazing effort, a positive attitude, great sportsmanship and wonderful skill!

Mr Ahmed has put together a slide show of the event on class dojos and tapestry.

Last but not least we would like to wish all our Year 6 children luck as they move onto high school. This has been such a disruptive year for them, but they have many exciting challenges and new opportunities ahead of them to look forward to. Please take time to watch their superb leaver's assembly which really marks their time at Twelve Apostles. This will be on the school website and class dojos Friday 16th July.

A big thank you to Mr Rowlands for all his hard work in putting this together.

Thank You

I would like to thank Stella and Don, Friends of Twelve Apostles who have worked so hard with eco club to look after the plants and shrubs in our school grounds. They have re-planted the John Thompson garden and Don has re-varnished the signs. I think you will all agree how lovely it looks.
