Dear Parents/Carers,

As you know, we were visited by Ofsted on 13th and 14th October for Section 5 inspection. We have all waited a long time for this inspection and were eager to show all the wonderful things that happen in our school. The inspection was thorough, intense and challenging as we had expected.

We are delighted to now be able to share the news that Twelve Apostles has retained its outstanding grade.

OFSTED evaluated our provision as follows:

Quality of Education: Outstanding

Behaviour & Attitudes: Outstanding

Personal Development: Outstanding

Leadership & Management: Outstanding

Early Years Provision : Outstanding

Overall Effectiveness: Outstanding

A copy of the inspection report is attached and will be uploaded on to our website for your information. As OFSTED reports are limited by word counts, we know that this will not do full justice to the amazing feedback we received.

I am so proud that all the Staff, Children and Governors got the recognition that they truly deserved. The quality of Education that we provide, day in and day out is well embedded and we could say with confidence that it is outstanding so to have this confirmed is fantastic . We have a high proportion of children with SEND and again the provision for these children was graded as exceptional. Our continued high aspirations and expectations for all our children is also highlighted in the report.

Finally, thank you to all those parents for their kind words and support throughout the inspection.

Kind Regards
Mrs Newton

Through learning and loving we will follow Jesus.
