Sponsored Bounce Friday 1st July

This event involves all our children. We hire a bouncy castle for an afternoon and each class gets a turn to go on. The year 6 children will count how many bounces each child can do in a minute.

A sponsor form will be sent out and is also attached. You can also just write the sponsors on a piece of paper and send into school.

Please try your best to get 1 or 2 sponsors for your child and then return this form with your money in an envelope, clearly marked with their name and form to your child's class teacher by Friday 1st July

Queens Platinum Jubilee 70 years

The children have thoroughly enjoyed our celebration and commemorative work. The weather remained kind and the children loved the afternoon tea party and games.

Thank you so much for supporting the children with their holiday homework projects. The quality of work was fantastic and it was so difficult for teachers to choose overall winners. See photos below of the competition winners and some of the fantastic work submitted.

The children enjoyed an interactive show with the Pop Project on the theme of the Queen's Platinum Jubilee. They listened to music and found out about famous artists from each decade over the last 70 years.

**Congratulations

Date for the Diary

Sports Afternoon - Friday 24th June (Weather permitting)

Mr Maj and Mr Ahmed have planned this annual event and parents/carers are invited to join us to encourage the children on sports afternoon. The children will take part in a number of sporting events on the school field. They will compete in their house teams and are invited to come to school in their PE Kits.

Please can the children wear a t-shirt in the colour of their house team.

Please remember to send a water bottle and sun hat in with your child on the day and apply sun cream before they come to school, if the weather is good.

Please can we ask that all parents/carers stay behind the tape/barrier on the field.

Sports Update

Rugby

The team made it to the semi-finals, but despite their best efforts and an amazing game, they lost in the last minute. In normal time the game finished as a draw. The game went into extra time and also finished as a draw, but the team lost on golden point after extra time. We are all so proud of the team and Mr Maj and Mr Ahmed commended them on their fantastic resilience and perseverance to the end. Leigh St Johns gave us a good game and both teams showed great respect to each other after the game. After the season they have had, from what the team has started off as, to have the disappointment of losing out on the final, they can still be very proud of what they have achieved this season.

Monday 20th June and Wednesday 22nd June

Continuing with our jubilee theme there will be dance workshops delivered in school and each class will be taking 1 decade and learning dance routines from that era.
