

RISK ASSESSMENT

Location: Twelve Apostles RC Primary School (Step 4). (V4)

Assessor: LA

Signed:

Date of Assessment: July 2021 **November 2021** **January 2022** **Review Date:** OPEN

Activity: Step 4 COVID-19: Primary School (V3) - Full Reopening of School - September 2021.

Risk appertaining to events and performances in school updated

Updated Omicron Variant and return to school after Christmas break DFE operational guidance and PH update Jan 22

On the 12th July 2021, the Government issued their Step 4 guidance for easing the restrictions starting from the 19th July 2021, based on the scientific and medical advice provided via SAGE. **As Twelve Apostles broke up on the 16th July the current measures remained in place as per guidelines** . Step 4 of the roadmap marks a new phase in the government's response to the pandemic, moving away from stringent restrictions advising schools on how to protect themselves and others, alongside targeted interventions to reduce risk, to COVID-19 becoming a virus that we learn to live with and reduce the disruption to our pupil's education. It is anticipated there may be further changes to this document should there be changes in national guidance.

Updated DFE guidance to reflect new temporary measures announced on Saturday 27 November following the emergence of the Omicron variant of COVID-19 in the UK. **Face coverings should be worn in communal areas in all settings by staff and visitors, unless they are exempt. All staff emailed on Monday 29th Nov** **Unless there is an outbreak of cases in school all events planned will go ahead with restrictions in place.**

Control Measures that will continue, include; (See appendix A)

1. Ensure good hygiene for everyone.
2. Maintain appropriate cleaning regimes.
3. Keep occupied spaces well ventilated.
4. Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19.

This assessment and the Public Health advice is provided to support the school management to reduce the risk of transmission of coronavirus (COVID-19) in their school. An Outbreak Management Plan guide is included at the end of this document including the control measures that may need to be considered for re-introduction (for a limited time and the advice provided by Health Protection,) to help manage outbreaks in your school. At Twelve Apostles we will revert to our previous risk assessment , March 2021 should there be an outbreak.

This generic assessment follows the Governments guidance (**DfE School Operational Guidance. Updated 07 21**) which covers the expectations for the support of all pupils including children with special educational needs and disability (SEND) and those with education, health and care plans, within the school.

- Guidance Rapid asymptomatic testing in specialist settings (applies from Step 4) Updated 080721
- Rapid asymptomatic testing in specialist settings (applies from Step 4) - GOV.UK (www.gov.uk)

This assessment is undertaken in compliance with the Management Regulations to aid the planning and monitoring of a safe working environment for both staff and pupils of the school. Information will be **updated** throughout **the** summer period if/when the situation changes.

The operational details for the daily management of the school can be entered into this or your assessment, or by a separate document provided to all staff.

Hazard	Risk	Individuals at risk	Risk – L/M/H	Control Measures (Current)	Control Measures (Additional – Proposed)
<p>Interim Period of Change.</p> <p>Step 4. Restrictions relaxed from 19th July</p>	<p>GOV.UK Guidance</p>	<p>All staff and pupils</p>		<p>N/A break up 16th July</p> <p>Restrictions being relaxed from 19th July – however many Wigan schools finish on or about the 23rd. DfE has said that schools can retain current measures until the end of term should they wish.</p> <p>Due to the increase rates of infection, Wigan is in an ERA - follow the advice and control measures introduced by the DPH.</p>	<p>Comms to parents to support local position on maintaining existing measures arrangements and Contact Tracing until end of term.</p>
<p>Christmas break increased risk of transmission due to social mixing</p>	<p>Increased risk of infection following high infection rate Nationally and Locally . Rapid spread of Omricon variant</p>	<p>All staff and Pupils Including CEV</p>	<p>H</p>	<p>Staff testing LFT twice weekly and before they return to school and thereafter</p> <p>Control as below including requirement to wear face masks in communal areas</p> <p>Continue:</p> <ul style="list-style-type: none"> Ventilation Face Masks Hygiene routines Testing <p>Identify children with symptoms and follow guidance</p>	<p>Commination to staff giving information on changes to isolation period to 7 following 2 negative LFT on day 6 and 7 and if fully vaccinated.</p> <p>Updated 17th January isolation period 5 days</p> <p>Staff of a positive close contact to take LFT dally and if negative continue to attend work</p> <p>Send communication to parents prior to return to school to remind them of controls in place and asking as a precaution to test children before returning to school to mitigate risk</p> <p>Ask parents that if the child is a close contact of a positive case to take LFT for 7 days</p> <p>Full COVID risk assessment completed for Residential Robin Wood and for chn attending with EHCPs</p> <p>Parents to test chn before they go . Full refunds given if child positive</p>

					<p>If school infection rate are substantially high revert to outbreak management plan</p> <p>Staff Absence: see contingency plan for different scenarios: teachers teach remotely from home and TAs support in class</p> <p>Use bank of school supply staff MR SE GH or DHT dependent on timetable</p>
Transmission of Virus	Single Cases of COVID	Staff pupils who have been in school during the infectious period (i.e. 2 days prior to the ONSET of symptoms or date of test if asymptomatic)	H	<ul style="list-style-type: none"> • Send warn and inform letter to staff and parents who may be a potential close contact and encourage daily LFT . • If they develop symptoms to go for a PCR test • Send out other recommendation to parents to test daily and relay message via phone, face to face • All classes to continue to enter and exit building through separate entrances • Face covering in communal areas for staff • Ask parents to wear face coverings on the playground 	<p>Updated warn and inform letter GM COVID 19 Case Management in non-Residential Educational settings</p>
Increased risk of transmitting virus	Emerging number of cases meeting the Threshold 5 in one year groups testing positive over a 10 day period	Pupils staff CEV	H	<ul style="list-style-type: none"> • Limits on the numbers of external adults/staff/contractors entering the building. • Cancel all events to which parents are invited e.g. class assemblies • Restrict parents entering Reception area to 1 Consider need and urgency of entry. • Increased use of social distancing where possible. • Consider affected classes reverting to bubbles • Enhanced communication sent out to all parents • Stronger warn and inform letter to be sent out • No mixed year groups after school sports clubs • No mixed year group choir • No whole school assemblies / song hymn practice • PE lessons to take place outside where possible • Further improvement ventilation • Vigilant cleaning focusing on touch points and shared equipment • Review and reinforce hygiene measures • Promote vaccination with staff • Further exploration of opportunities to increase social distancing and reduce crowding • Reduce mixing of staff: lunch times revert to 2 staff rooms • Consider remote meetings . • Whole school staff meetings postponed 	<p>Continued communication to parents with daily updates and strongly advising them to test children</p> <p>Measures to be re-instated</p>

Ongoing transmission in year groups	Multiple cases in school	Pupils staff CEV	M	<p>All the above and :</p> <ul style="list-style-type: none"> • Revert to whole school class bubbles: separate playtimes and lunchtimes. KS 2 eat in class. Segregate playground • Consider desks facing forwards • Consider staggered start and finish times • Continue to urge parents to test children with increased frequency • Limit residential educational visits , trips ,visitors to school ,parental attendance sporting events ,transition /taster days <p>Last resort restrict attendance of pupils and revert to remote home learning This measure will require joint DPH and Education Director sign off</p>	
<p>Building Safety</p> <p>Legionella Management</p> <p>Asbestos Management</p> <p>Statutory Requirement for Servicing of plant and Equipment. Pressure systems Passenger Lifts Lifting equipment</p>	<p>Compliance with HSG 274</p> <p>Compliance with Asbestos Reg 12 & HSG 264</p> <p>Compliance with PSSR 00 LOLAR 98</p>	All Building Users		<p>Domestic hot and cold water services</p> <p>The requirements for the management of your buildings water system must be completed to the requirements of HSG 274 and your Legionella maintenance schedule. This includes calorifiers/direct fired water heaters/sinks/ basins/ showers / thermostatic mixing valves. (Blended hot water) Weekly, monthly and periodical maintenance must be completed, and records maintained as per the Legionella Assessment schedule.</p> <p>Ensure your asbestos file is up to date including any new works undertaken, any concerns discuss with your Asbestos consultant.</p> <p>Thorough Examination & Test is a critical component of a management process to ensure the safe operation of equipment whose failure through deterioration can create dangerous situations, physical harm and business disruption. The statutory obligations to TE&T remain in place and the HSE expects dutyholders to make all reasonable efforts to arrange for TE&T to be carried out within the statutory time limits. The HSE strongly recommend that TE&T are completed. If a failure occurs due to a safety related fault, enforcement action may be taken.</p> <p>Any concerns to the TE&T, discuss with your managing agent and/or your specialist contractor consultant.</p>	<p>HSE Guidance Note to Dutyholders and Inspectors. https://www.hse.gov.uk/news/work-equipment-coronavirus.htm</p> <p>Required - If any equipment is outside of the inspection date, the school management to contact their specialist contractor and have the TE&T completed asap.</p>

<p>Building Hygiene</p> <p>Deep Clean of all areas of the school</p>	<p>Compliance with current hygiene standards published by the gov.UK.</p>	<p>All Building Users</p>	<p>It is important that arrangements remain in place to ensure that pupils and staff are safe.</p> <p>Implement the system of controls, endorsed by Public Health England, regarding Infection and prevention control.</p> <ol style="list-style-type: none"> 1. individuals who have symptoms of coronavirus, (COVID-19) do not attend school, 2. promote good hand and respiratory hygiene, 3. review and update enhanced cleaning, including cleaning frequently touched surfaces using standard cleaning products and bacterial wipes, 4. minimise contact between groups where possible. <p>Deep clean of school to take place during Summer holiday including all furniture, upholstery, carpets cleaned, walls wiped down, bathrooms</p> <p>Cleaning routines to remain during the school day. Clean frequently touched areas include;</p> <ul style="list-style-type: none"> • Classroom and office desks and tables • Bathroom facilities (including taps and flush buttons) • Door and window handles • Furniture • Light switches • Visitors' reception area • Teaching and learning aids • Computer equipment (including keyboards and mouse) • Sports equipment • Telephones. <p>Utilise pest control for insect infestations, particularly in the kitchen and/or food preparation areas.</p> <p>Anti-bacterial hand gels or wipes are located in the school reception foyer for a visitor to use before they are allowed into the secure area of the school. Social distancing for escorted visitors to be maintained.</p> <p>Sanitising stations in all classes with wipes, hand gel, tissues gloves etc</p>	<p>Guidance Cleaning in Non-Healthcare settings outside of the Home. Updated 16 10 20 https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings</p> <p>Caretaker informed and cleaning schedules agreed</p> <p>Hand sanitiser stations are located in each classroom at every entrance and at points throughout the school. Hand sanitiser provided for all staff and pupils in classrooms and offices. Children can now bring their own sanitiser from home</p> <p>School protocols provided to all staff and visitors includes information about the school procedures.</p> <p>Additional signage around the school building and premises reminds staff and pupils about hygiene .</p> <p>Any equipment that is shared in teaching areas can be cleaned using the multi-use antiviral wipes provided in each room. Students will be expected to take ownership of the process, guided by teaching staff between lessons</p> <p>Help contain any outbreak by following the advice of the local health protection team advice.</p>
<p>Building Users. Ventilation.</p>	<p>HSWA 74 W(HSW)R92 DoE BB103. Building Regulations</p>	<p>Pupils, staff and visitors.</p>	<p>Ventilation of the building and classrooms is important to reduce natural pollutants, provide fresh air to enable pupils to stay alert and potentially with other hygiene measures reduce the life cycle of the coronavirus.</p> <ul style="list-style-type: none"> • natural ventilation – opening windows in classrooms to promote through ventilation (in cooler weather windows should be opened just enough to provide constant background ventilation 	<p>Government guidance.</p> <ul style="list-style-type: none"> • DoE BB101 Ventilation in schools. <p>Guidance Step 4 Schools COVID-19 operational guidance (applies until Step 4) Updated 14 07 21 Schools COVID-19 operational</p>

				<p>and opened more fully during breaks to purge the air in the space). Opening internal doors can also assist with creating a throughput of air.</p> <ul style="list-style-type: none"> Poorly ventilated spaces to be identified and where possible the air flow to these spaces to be improved or limited in there use. If the door is wedged open, ensure the Building Fire Plan is amended to state that if the room is left unoccupied, the door must be closed and on a fire evacuation, the wedge must be removed. Intermediate fire doors along the escape route can only be left open if they are fitted with a magnetic hold open device linked to the fire alarm, or a device such as the Dorgard. Air Conditioning Units do not need to be switched off Particular consideration must be given to adequate ventilation pupil staff and visitor numbers when holding events such as during the Christmas season. Consider taking further advice from Public Health and/or your Safety Team. 	<p>guidance (applies until Step 4) - GOV.UK (www.gov.uk)</p> <p>Do Not Use the fire extinguishers as a door wedge. Use of a Dorgard Hold Open Door Retainer should be used, Compliant to BS7273-4 2007</p> <p>To minimise drafts consider;</p> <p>consider:</p> <ul style="list-style-type: none"> opening high level windows in colder weather in preference to low windows. increasing the ventilation while spaces are unoccupied (for example, between classes, during break and lunch, when a room is unused) providing flexibility to allow additional, suitable indoor clothing – for more information see school uniform. rearranging furniture where possible to avoid direct draughts.
Fire Management	Compliance with the RR(FS)O BB100	All Building Users		<p>Prior to reopening :</p> <ul style="list-style-type: none"> Physically test the fire alarm system and emergency lights are operational. Complete a planned Fire evacuation within 7 days or the start of the new term. Carry out weekly checks of alarms systems, call points and emergency lighting. Carry out regular hazard spotting to identify escape route obstructions. Check that all fire doors are operational and fit for purpose. Review, update and test individual named PEEP's 	Record details of maintenance and equipment tests in the building Fire Log-Book/Management file
Catering service	HSW 74	Pupils, Staff and Visitors		<p>A deep clean of the main kitchen by a specialist catering cleaning contractor completed during the Summer holiday</p> <p>Whilst bubbles are no longer mandatory children will remain together in key stage groups or classes for lunchtime sittings Sitting 1 12 Sitting 2 12.30 Some children will still eat in class to avoid overcrowding</p>	<p>The school SLT to provide specific management details. SLT to be on lunch time duty in the hall</p> <ul style="list-style-type: none"> Reception, KS 1 and year 6 to eat in hall . Year 3,4,5 to eat in class Lunch time will be 30 minute sittings This will allow for additional

			<p>In the event of an outbreak bubbles may be reintroduced as a limited control measure.</p> <ul style="list-style-type: none"> • Discuss with the catering contractor any changes in lunch sittings, method of serving lunch, etc. • Reallocate appropriate level of staff for supervision of pupils, complete timetables. • Plan the layout and division of the dining room to facilitate separate the larger number of pupils having lunch at the same time. • Continue to clean tables/seating after each sitting has left. • Serving/dining area to be sanitised in between each sitting. <p>School Kitchen to comply with guidance for food business on coronavirus (COVID-19)</p>	<p>cleaning time for tables and seating</p> <ul style="list-style-type: none"> • Timetables for lunchtime supervision completed • 1 adult allocated to each class • KS 2 playground 2 classes out at once • KS 1 3 classes <p>COVID Standards for kitchens Guidance for Food Businesses on Coronavirus. Dated 21 05 21 https://www.gov.uk/government/publications/covid-19-guidance-for-food-businesses/guidance-for-food-businesses-on-coronavirus-covid-19</p>
Communicate with Contractors	HSWA 74	Pupils, Staff and visitors.	<p>During the summer holiday period some maintenance work will be undertaken. Contractors contacted and asked that where possible such work <u>must be</u> completed before Sept 2021 before the start of the new school term. Work includes cleaning, catering, adaptations, inspection and maintenance of equipment.</p> <p>Inform contractors and your suppliers, not to enter the school if they are displaying any symptoms of coronavirus (following the COVID-19: guidance for households with possible coronavirus infection)</p> <ul style="list-style-type: none"> • Observe good hygiene practice. • Contractors to sign in and out as is normal practice • Consider times when contractors can complete work either before or after the school day. 	Use signs, posters and regular reminders to raise awareness.
Management of Access Control to and from the building. General principles.	HSWA 74	Pupils, staff and visitors	<p>The social distancing 2 metre rule is no longer a requirement for all visitors attending the school building. As good practice, consider where possible retaining.</p> <ul style="list-style-type: none"> • All persons have a duty of care to look after themselves and others. They should be mindful of maintaining a respectable distance. • The one way pedestrian system for pupils and parents attending the premises as the entry and exit routes to and from the building entrance. • If the car park is used Prohibit movement of vehicles at the start and finish of the school day. • Retain footpath markings and displayed signage as an aid to 	<p>Use signs, posters and regular reminders to raise awareness.</p> <p>One way system in place to enter junior playground: collect junior children then collect infant children and leave through infant emergency gate. When collecting only junior children exit through vehicular road No cars on car park start and end of school day</p>

				encourage parents, pupils and visitors to maintain reasonable distancing.	Caretaker to man gate beginning end of school day SLT to be on playground start and end of school day
Test and Trace	Support the management of COVID-19	Staff, pupils and all visitors		<p>Self-Isolation (From 16th Aug) Children under the age of 18 years old will no longer be required to self-isolate if they are contacted by NHS Test and Trace as a close contact of a positive COVID-19 case. Instead, children will be advised to take a PCR test. (Early Years children should only take a PCR test if a member of their household tests positive.)</p> <ul style="list-style-type: none"> Confirmed cases must still isolate if symptomatic or have had a positive test Symptomatic individuals not to attend Summer schools/Clubs <p>Contact tracing (from 19th July) Nurseries, schools and colleges will no longer be expected to trace close contacts, this will be undertaken by NHST&T they will:</p> <ul style="list-style-type: none"> will work with the positive case to identify close contacts contacts in a school setting only traced if specifically named by the positive case Schools may be asked to help in identifying close contacts T&T that they currently do not envisage contacting schools in very many situations anyway. <p>Outbreak Management (19th July) –</p> <ul style="list-style-type: none"> Schools are expected to have an outbreak management plan to implement control measures and to work with Public Health in event of outbreak. If an outbreak is in a school or the area is in ERA measures, a DPH may advise temporary reintroduction of some control measures – this is not clarified in guidance These measures would be last resort, kept to minimum number of schools or groups as possible, and for the shortest amount of time Schools Outbreaks to be classified as ‘several’ cases within 14 days LA/PH will work with the school to recommend measures described in the contingency framework <p>.....</p> <p>Over the summer settings will only provide tests for twice weekly asymptomatic testing for Year 6 leavers and staff if they are</p>	<p>DfE Schools COVID-19 operational guidance Dated 14 07 21 https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/999689/Schools_guidance_Step_4_update_FINAL.pdf</p> <p>Guidance Rapid asymptomatic testing in specialist settings (applies from Step 4) Updated 080721 Rapid asymptomatic testing in specialist settings (applies from Step 4) - GOV.UK (www.gov.uk)</p> <p>Note - we are awaiting further details on what information will be required by T&T</p> <p>If a parent insist on their child attending nursery or school when they have symptoms, the school can take the decision to refuse the child attending if, in their reasonable judgement, it is necessary to protect other pupils and staff from possible infection with COVID-19</p>

Testing program			<p>attending settings that remain open, such as summer schools and out of school activities based in a school setting.</p> <p>There is no need for primary age pupils (those in year 6 and below) to test over the summer period. Where possible, Year 6 leavers will be offered the 2 tests at an ATS at the beginning of the autumn term when they start at their secondary school as a new year 7.</p> <p>Confirmatory PCR tests</p> <ul style="list-style-type: none"> • Staff with a positive LFD test result should self-isolate in line with the stay at home guidance. They will also need to get a free PCR test to check if they have COVID-19 to confirm the result. • Whilst awaiting the PCR result, the individual should continue to self-isolate. • If the PCR test is taken within 2 days of the positive lateral flow test, and is negative, it overrides the self-test LFD test and the pupil can return to their setting, as long as the individual does not have COVID-19 symptoms. • Those with a negative LFD test result can also continue to attend school. <p>Staff will continue to use the LFD test kits provided to schools:</p> <ul style="list-style-type: none"> • All school staff are offered twice weekly LFD testing to be completed at Home - this will help identify those who are carrying the virus without displaying symptoms, reducing the risk of transmission • Primary School Pupils will not be tested with LFD. <p>Testing remains voluntary, but those who are eligible for tests are strongly encouraged to participate to reduce the risk of transmission within schools and colleges.</p> <p>.....</p> <p>The school already operate an electronic signing system of recording visitors.</p> <p>The following information would be required by the Test and Trace operators and therefore the documentation must be made available for up to 21 days, if requested by the NHS:</p> <p>Staff</p> <ul style="list-style-type: none"> • the names of staff who work at the premises, • a contact phone number for each member of staff, • the dates and times that staff are at work. <p>Visitors.</p> <ul style="list-style-type: none"> • the name of the visitor. If there is more than one person, then you can record the name of the 'lead member' of the group and 	<p>If schools have any questions they should complete the asymptomatic testing contact form or call 0800 046 8687 (Mon-Fri 8am to 6pm, Sat-Sun 10am to 6pm)</p> <p>Maintaining Records of staff Customers and Visitors to Support NHS Test & Trace. 17 05 21 https://www.gov.uk/guidance/maintainin-g-records-of-staff-customers-and-visitors-to-support-nhs-test-and-trace?utm_source=e159c002-348d-40e9-892a-656cc5916a0f&utm_medium=email&utm_campaign=govuk-notifications&utm_content=daily</p> <p>Staff and pupil details are held by the school</p> <p>Visitors are recorded using the school signing in system</p>
-----------------	--	--	--	---

<p>Maintaining records of staff and visitors to support the NHS Test and Trace</p>			<p>the number of people in the group</p> <ul style="list-style-type: none"> • a contact phone number for each visitor, or for the lead member of a group. • date of visit, arrival time and departure time the name of the member of staff who they are meeting, or activity being delivered on behalf of the school, the names of any learners they are working with. <p>If you have several confirmed cases within 14 days, or an overall rise in sickness absence where coronavirus (COVID-19) is suspected, you may have an outbreak. Call the DfE Helpline on 0800 046 8687 and selecting option 1 for advice on the action to take in response to a positive case. Additionally - contact HPCC Team on 01942 404240 to notify your incidents and seek advice</p>	<p>Help contain any outbreak by following local health protection team advice</p>
<p>Entering and leaving the School Site</p>	<p>Spread of Virus/failure to comply with social distancing rules</p>	<p>Staff/Visitors</p>	<ul style="list-style-type: none"> • Start and finish times no longer need to be staggered • Pupils will enter the school site via the main gate. • Parents with infant children will be able to leave via the emergency gate to avoid congestion • Only 1 adult to come onto the playground with child • Parents encouraged not to stand in groups or linger • Children to enter and exit through classroom doors • • Anyone entering the school building will have their temperature taken and be asked the following questions: <ul style="list-style-type: none"> ○ Have you had a persistent cough, high temperature or loss of taste and smell in last 10 days? ○ Has anyone in your household had any of these symptoms in the last 10 days? • Anyone found to have a temperature of 37.8 or higher, will be asked to leave site and advised to follow the COVID-19: guidance for households with possible coronavirus infection guidance, and self-isolate themselves for 10 days and the rest of their household for 10 days. • Anyone answering YES to either of the above questions will be asked to leave site and follow the COVID-19: guidance for households with possible coronavirus infection guidance, and self-isolate themselves and their household for 10 days. • Hand sanitiser stations will be positioned on the entrance to the building and must be used by all pupils and visitors. • One-way system will be in operation in the outdoor area. • Parents may be asked to book an appointment if they wish a meeting with the staff, ring or book a virtual meeting. 	<p>Twelve Apostles will open 8.45 with registration at 9 so children have a 15 minute window to arrive at school</p> <p>Guidance (COVID-19) Coronavirus restrictions: what you can and cannot do Dated 12 07 21 (COVID-19) Coronavirus restrictions: what you can and cannot do - GOV.UK (www.gov.uk)</p> <p>Stay at Home Guidance for Households with Possible Coronavirus Infection 23 06 21 https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance</p> <p>The school SLT to include specific management details.</p>

			<ul style="list-style-type: none"> Visitors prior to leaving must sign out at the school Reception office From 29th Nov and new temporary measures all visitors to school and parents on the playground will be required to wear a mask unless exempt 	
Communicating with parents on changes	Safety of others.	Pupils, staff and parents.	<p>Inform pupils, their parents/carers communication channels :class dos , parents mail ,tapestry</p> <ul style="list-style-type: none"> Not to enter the school if they are displaying any symptoms of coronavirus. (Following the COVID-19: guidance for households with possible coronavirus infection) If their child needs to be accompanied into school, only one parent should attend. <p>Enhanced Response Area. Local authorities, directors of public health and PHE health protection teams may recommend measures described in the contingency framework in individual education and childcare settings – or a small cluster of settings – as part of their outbreak management responsibilities.</p>	<p>Step 4 - what parents and carers need to know about early years providers, schools and colleges Updated 8 July 2021 What parents and carers need to know about early years providers, schools and colleges - GOV.UK (www.gov.uk)</p>
Communication with Staff Protection against infection	Personal safety	Staff	<p>Inform staff about the changed in the Government guidance and the measures currently implemented in Wigan as an Enhanced Response Area (ERA) safeguarding measures, timetable changes, the daily routine of the school and the Outbreak Management Plan (OMP) that outlines how the school should operate if additional measures are recommended for your setting. Whole school INSET day Sept 2021,email documents</p> <ul style="list-style-type: none"> Avoiding contact with anyone with symptoms of COVID-19 Continue frequent hand cleaning and good respiratory hygiene practices Frequent cleaning of all room hard surfaces, furniture, toys, classroom taps, door handles, etc. Ensuring good respiratory hygiene - promote the ‘catch it, bin it, kill it’ approach. GOV.UK recommendations for maintaining a safe working environment. <p>Enhanced Response Area. Working environment Stay Alert, Stay Safe.	Good Practice	Pupils and Staff		<p>Hand hygiene and respiratory hygiene measures stay the same.</p> <p>Disposable cleaning products (cloths, aprons, gloves, masks, mops) to be available and stock levels are maintained.</p> <p>Consider the following good practice. to help minimize the risk of the virus spreading to both staff and pupils, the school will:</p> <ul style="list-style-type: none"> • Inform pupils, parents and visitors they must not enter the school if they are displaying any symptoms of coronavirus. • Remind parents and pupils to be mindful and reduce any unnecessary travel on public transport. • Consider maintaining where possible the one-way system or divide the corridor into two lanes for walking on the left. • Where possible – Classes to be allocated their own entry and exit point to and from the classroom/building. • Classroom based resources, such as books and games, should be cleaned regularly, along with all frequently touched surfaces. • Resources such as sports, art, IT equipment should be cleaned before it is reused. 	<p>Face covering are not recommended for use in schools</p> <p>The school SLT to include specific detailed information for the management of the school day.</p> <p>Information and procedures to be brought to the attention of all staff. INSET Day 3rd September</p>
Personal Protective Equipment	Personal protection	Pupil and Staff		<p>From 19 July, face coverings will no longer be advised for pupils, staff and visitors either in classrooms or in communal areas WEF 29th Nov Face coverings should be worn in communal areas in all settings by staff and visitors, unless they are exempt.</p> <p>The new expectation is that they are worn in enclosed and crowded spaces where you may come into contact with people you do not normally meet. This includes public transport and dedicated transport to school.</p> <p>Face visors or shields can be worn by those exempt from wearing a face covering but they are not an equivalent alternative in terms of source control of virus transmission.</p> <p>Children in primary school do not need to wear a face covering.</p> <p>Safe wearing of face coverings requires the:</p> <ul style="list-style-type: none"> • cleaning of hands before and after touching – including to remove or put them on 	<p>Guidance Safe working in education, childcare and children’s social care settings, including the use of personal protective equipment (PPE) (applies until Step 4) Updated 15 July 2021 https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-childrens-social-care/safe-working-in-education-childcare-and-childrens-social-care-settings-including-the-use-of-personal-protective-equipment-ppe</p> <p>DfE Face Coverings in Education. dated 24 05 21 Face coverings in education - GOV.UK (www.gov.uk)</p>

			<ul style="list-style-type: none"> • safe storage of them in individual, sealable plastic bags between use <p>Where a face covering becomes damp, it should not be worn, and the face covering should be replaced carefully. Staff should consider bringing a spare face covering to wear if their face covering becomes damp during the day. See guidance link for further information.</p>	
First Aid	Support to others	Pupils, staff and Visitors	<ul style="list-style-type: none"> • The number of first aiders to be available within school for the school population has not changed. • For Nursery and Early Year classes, the need for a Paediatric first aider remains a requirement of the EYFS. • If a pupil becomes unwell with symptoms of coronavirus while in the school and needs direct personal care until they can return home, a distance of 2 metres must be maintained. A fluid-resistant surgical face mask should be worn by the supervising adult. • If contact with the pupil/person is necessary, then gloves, an apron and a fluid-resistant surgical face mask should be worn by the supervising adult. • Staff who have helped anyone with suspected symptoms do not need to go home and self-isolate for 10 days unless they develop the symptoms themselves or the symptomatic person tests positive. Contact NHS for a test or use the Lateral flow test kits if available in school. • If the situation determines that there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn. • Supervising staff must wash their hands thoroughly for 20 seconds after supporting the student. • To support staff and monitor possible infection of coronavirus LFD testing must be undertaken completed 2 x weekly. 	<p>4 members of staff completed paediatric first aid training Sept 21 3 member of staff attended Emergency First aid training Sept 21 All non teaching staff to attend first aid training update January INSET day</p> <p>Actions for Early Years and Childcare Providers during the Coronavirus Outbreak. The following are taken from the Government Guidance for Schools published on 02nd July 2020

Control Measures.

1. Ensure good hygiene for everyone

Hand hygiene

Frequent and thorough hand cleaning should now be regular practice. You should continue to ensure that pupils and students clean their hands regularly. This can be done with soap and water or hand sanitiser.

You should also continue to consider:

- how often pupils, students and staff will need to wash their hands
- whether staff working with pupils and students who spit uncontrollably want more opportunities to wash their hands than other staff
- whether pupils and students who use saliva as a sensory stimulant or who struggle with 'catch it, bin it, kill it' need more opportunities to wash their hands
- how to help pupils and students with complex needs to clean their hands properly.

Respiratory hygiene

The 'catch it, bin it, kill it' approach continues to be very important. As with hand cleaning, you should ensure that younger pupils and those with complex needs are helped to get this right.

Some pupils and students with complex needs will struggle to maintain as good respiratory hygiene as their peers, for example, those who spit uncontrollably or use saliva as a sensory stimulant. This should be considered as part of your risk assessment in order to support these pupils and students and the staff working with them and is not a reason to deny these children and young people face-to-face education.

The e-Bug COVID-19 website contains free resources for settings, including materials to encourage good hand and respiratory hygiene.

Use of personal protective equipment (PPE)

Most staff in schools and colleges will not require PPE beyond what they would normally need for their work. If a pupil or student already has routine care needs that involve the use of PPE, the same PPE should continue to be used.

Additional PPE for COVID-19 is only required in a very limited number of scenarios, for example, when performing aerosol generating procedures (AGPs).

The guidance on the use of PPE in education, childcare and children's social care settings provides more information on the use of PPE for COVID-19.

2. Maintain appropriate cleaning regimes, using standard products such as detergents

You should put in place and maintain an appropriate cleaning schedule. This could include regular cleaning of areas and equipment (for example, twice per day).

PHE has published guidance on the cleaning of non-healthcare settings.

3. Keep occupied spaces well ventilated

When your setting is in operation, it is important to ensure it is well ventilated and a comfortable teaching environment is maintained.

You should identify any poorly ventilated spaces as part of your risk assessment and take steps to improve fresh air flow in these areas, giving particular consideration when holding events where visitors such as parents are on site, for example, dramatic productions.

Mechanical ventilation is a system that uses a fan to draw fresh air, or extract air from a room. These should be adjusted to increase the ventilation rate wherever possible and checked to confirm that normal operation meets current guidance and that only fresh outside air is circulated.

If possible, systems should be adjusted to full fresh air or, if this is not possible, then systems should be operated as normal as long as they are within a single room and supplemented by an outdoor air supply.

Where mechanical ventilation systems exist, you should ensure that they are maintained in accordance with the manufacturers' recommendations.

Opening external windows can improve natural ventilation, and in addition, opening internal doors can also assist with creating a throughput of air. If necessary, external opening doors may also be used (if they are not fire doors and where safe to do so). You should balance the need for increased ventilation while maintaining a comfortable temperature.

The Health and Safety Executive guidance on air conditioning and ventilation during the coronavirus outbreak and CIBSE COVID-19 advice provides more information. DfE is working with the Scientific Advisory Group for Emergencies (SAGE) and NHS England on a pilot project to measure CO2 levels in classrooms and exploring options to help improve ventilation in settings where needed.

4. Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19

When someone develops COVID-19 symptoms or has a positive test

Pupils, students, staff and other adults should follow public health advice on when to self-isolate and what to do. They should not come into their education setting if they have symptoms or other reasons requiring them to stay at home due to the risk of them passing on COVID-19 (for example, they are required to quarantine or have a positive test).

If anyone in your setting develops COVID-19 symptoms, however mild, you should send them home and they should follow public health advice.

If a pupil in a residential setting shows symptoms, they should usually self-isolate in their residential setting so that their usual support can continue, while others may benefit from self-isolating in their family home.

For everyone with symptoms, they should avoid using public transport and, wherever possible, be collected by a member of their family or household.

If a pupil is awaiting collection, they should be left in a room on their own if possible and safe to do so. A window should be opened for fresh air ventilation if possible.

Appropriate PPE should also be used if close contact is necessary, further information on this can be found in the use of PPE in education, childcare and children's social care settings guidance. Any rooms they use should be cleaned after they have left.

The household (including any siblings) should follow the PHE stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection.
