King Charles III Coronation Holiday Homework Project

2023 is a monumental year in history with the Kings coronation. The world will be watching as the new monarch King Charles III will be crowned. We have planned to mark this occasion here in school with dance workshops and a coronation party on **Friday 5th May**.

In preparation we are asking all the children to complete a piece of work to mark the occasion. They can choose to present this in any way they choose. They can submit a painting or drawing portraying the King or symbols related to the coronation e.g. the crown. They can make a fact file or produce a leaflet about King Charles. They can make a Royal family tree and even make a congratulations card for the king. Alternatively, they can make a model to mark the occasion. There will be a prize for the best entry in each class.

The closing date for entries is 28th April 2023. We look forward to seeing all the entries.

This is the final newsletter this term and the staff and myself would like to take the opportunity to wish you all a Happy and Holy Easter. Thank you all again for all your support in so many ways throughout the term.

Please note that we break up on Thursday 6th April for the Easter break and return to school on Monday 17th April
